

Light and Lighting

Volume 53 1960

Authors' Index

BAINES, G. Grenfell	The architect and the lighting engineer: The architect's view.....	158
BARNICOT, J. M.	Design symposium: The separation of functional and decorative aspects of architectural lighting schemes.....	206
BROOKS, W. H.	Ford plant extension at Dagenham.....	120
BROWN, C. Dykes	The architect and the lighting engineer: The lighting engineer's view.....	162
CECIL, R.	Supermarkets: The lighting approach.....	236
CHARTERS, A. D.	Fittings for fluorescent lamps.....	271
CHRISTIE, A. W.	The design of lamp columns for roads with few pedestrians.....	330
COLEMAN, R.	Design symposium: Lighting fittings in relation to general trends in industrial design.....	203
GABARRO, M.	Barcelona football stadium.....	286
GURA, J. H.	Lighting in hospitals: The wards.....	345
HARRIS, J. B.	Electrical Engineers' Exhibition, 1960.....	154
HEWITT, H.	Random review of 1959.....	5
IRENS, A. N.	Lighting and productivity.....	68
JENNINGS, M.	XIV Triennale di Milano.....	266
MOORE, R. L.	The design of lamp columns for roads with few pedestrians.....	330
PHILLIPS, D. R. H.	Design symposium: Lighting without lighting fittings.....	208
REBSKE, E.	Electrical Engineers' Exhibition, 1960.....	150
RUZICKA, H.	Shadow forms and reflected images.....	39
STONE, P.	High-jet fountain in Vienna.....	196
SUMMERS, E. W.	Lighting in hospitals: The building programme.....	343
TATE, R. L. C.	Supermarkets: The background story.....	231
WALDRAM, J. M.	Supermarkets: Practice and precept.....	239
WHITWORTH, P.	Hanover Fair, 1960.....	254
WITTIG, E.	Manchester sketchbook.....	128
WOTTON, E.	Sketchbook in Holland.....	278
	The distribution of inter-reflected light in rectangular rooms.....	42
	Columns Galore.....	319
	Hanover Fair, 1960.....	254
	Street lighting in Canada.....	165
